### COMMUNITY PARTNER SPOTLIGHT

4 years ago the American Legion Post #74 & CGC in Earlysville took a chance & gave Living Free Programs for Military Families of Charlottesville a home & a lifeline. Living Free Together INC has now taken steps to be a "free standing" 501-c3 of it's very own. Living Free will forever be grateful to these two entities! Without these fine partners, this organization would not be possible.

*"So insightful & helpful. So many great ideas to put into practice with our family. This will definitely help to strengthen our family."*
